SUMIT INGOLE

Email: **gsumitingole@gmail.com**
Mob: **70 2020 7718**

Summary

I am passionate about **open web** standards, like to **researching** new ways to use them and educating other developers about their advantages and **implement** into **projects**.

As a **front-end designer** I'd like to design and develop the web using concepts like **Design Strategy**, Content Strategy and New Trends and related terms.

Skills

Web Languages: HTML5, CSS3, **SASS**, **JavaScript**
Web Framework: **Polymer, Bootstrap, Angular 2, React, Preact**
Front-End Build Tools: Grunt, **Gulp**
Other Skills: **Version Control Git**.
Design Tools: **Inkscape** [open-source vector graphics editor]
Design: **PSD to HTML**, Prototyping, **Typography**, Iconography, **Color Theory**
        UI, UX, Visual Design, **Style Guideline**, **Accessibility**.

Projects

A **Calendar App** it's a **Progressive Web App [PWA]** that can work **Offline** and gives Material Design Experience
Link: **https://cal-off.firebaseapp.com/**

Indimap [PWA] : A installable web App that gives map of 10 most visited cities of India.
Link: **https://test-alpha.firebaseapp.com/**

Leaf-let [PWA] : A installable web app that use to send **real-time notices** and gives a **Chat** room for users.
Link: **https://gisumit.github.io/leaf-let/app/**
        https://gisumit.github.io/client-app/app/

Flexi: A **CSS3 Framework** for **mobile first** layout written in **SASS** and includes **Color Themes** of Material Design, Sales Forces Design and IBM's Design Theme.

My Portfolio [PWA]: A online about me web page that is hosted on github having features like web app install, es6 etc. link: **https://gisumit.github.io**

Talks

Year	Topic Name

Education

Year	Class
2014-till now	MCA Appearing At JNEC
2013	BCS Passed with 77% from Milind College of Science.
2010	HSC Passed with 42% from Milind College of Science.
2008	SSC Passed with 71%

Publications

Paper: **ERA of Responsive Application Patterns.**
Presented at **Make in India National Conference** 2015 at **MGM IOM**.
Role: Co-Author
Abstract: We live in multi-device era where we start a task on one device and ends with another device. The major difference is size, hardware and sometimes platform too. Our objective is to find out progressive enhancement in app patterns. Which gives unified user experience across all devices no matter different platform is used.

Professional Interests

UI/UX, **Human Computer Interaction**, Art Direction, Branding, **NodeJs**, **Angular**, **React**, **functional Programming**, Information Design and Architecture, **Usability**, Principle Design, **Performance**, **Accessibility**.

Personal Information

Full Name: **Sumit Gajanan Ingole.**
Current Address: Sukhwani Bag FL-05 Wing B Adinath Nagar **Bhosari Pune** 411039
Permanent Address: Plot no. 01 Opp. of Hanuman Temple Shambhunagar Gadiya Vihar Aurangabad 431005.
Hobbies: **Tech Blogs/Videos, Movies, Music, Design.**
Known Languages: English, Hindi, Marathi
Marital Status: Single.
Date of Birth: **May 1993**
